

# EXHIBIT 2

Text Order GRANTING 19 Motion to Dismiss entered by Judge Alan D Albright. Because Castlemorton's complaint does not plead sufficient facts that would support an allegation of pre-suit knowledge, the Court GRANTS Defendant's motion to dismiss Castlemorton's pre-suit induced infringement claims. But given that it may have been impossible for Castlemorton to do so without the benefit of fact discovery, in accordance with the Courts usual practice, the Court permits Castlemorton to amend its complaint after the start of fact discovery to include pre-suit induced infringement if it is able to elicit sufficient facts to support such an allegation. See, e.g., Parus Holdings Inc. v. Apple Inc., No. 6:19-cv-00432-ADA, Dkt. 101 (W.D. Tex. Jan. 31, 2020). (This is a text-only entry generated by the court.
